# Lasso Your Reading Lexile

Summer is finally here – a time for our students to have a break from school and spend more time with the family. Studies show the summer is when our stu-

dents are at risk of losing some of their reading skills. So, let's make sure they have a good book in their hands while away from the classroom. With the Find-a-Book Web site, [www.lexile.com/findabook](http://www.lexile.com/findabook), your child can do just that. They can find books that will help them continue learning – and learn to love reading.

## It's easy to take the challenge!

- Keep track of the number of minutes you read on the Summer Reading Log.
- Record on your reading log the Lexile level of the books you read, title and author.
- Determine your award level and attend one of the "Back to School Nights" where you will receive a certificate and your non-uniform day bracelets.
- Parent signature must be on your reading log and a parent/guardian must attend in order for you to receive your reading award.

## Incentives

This summer Dodge City Middle School has established a special reading incentive program that will help motivate students in grades six, seven and eight to read more over the summer months. Students can earn up to ten non-uniform days during the summer by recording reading minutes.
